

Warm and Cool Medium Quilts

DELIGHTFUL DESERT SECOND EDITION FABRIC GUIDE

This guide includes the fabrics shown in the Second Edition of my Delightful Desert pattern. All fabrics in both editions are from Robert Kaufman Fabrics.

COLORFUL FABRICS

The fabric guide in the original pattern included both Kona Solids and fabrics from my 2017 Terrarium collection, which is now out of print.

If you have the original pattern and want to make quilts using the fabrics shown in the Second Edition, you can use the Kona Solids chart on the next page in place of the Terrarium/Kona Solids guide in your pattern.

BACKGROUND FABRIC

I used Essex Yarn-Dyed Linen Blend for the backgrounds of all my sample quilts: Nutmeg for the Warm Medium Quilt, Charcoal for the Cool Medium Quilt, and Taupe for the Large Quilt.

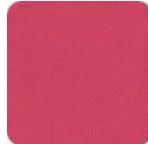

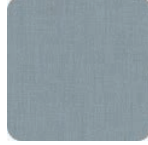

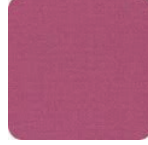

LIGHT AND DARK DETAIL FABRICS

I recommend using Kona Snow as the Light/White Solid Detail Fabric for any Delightful Desert quilt. Use Kona Espresso as the Dark Solid Detail Fabric for a Large Quilt, or a Warm Medium Quilt. Use Kona Pepper as the Dark Solid Detail Fabric for a Cool Medium Quilt.
