## NORTH STARS FABRIC GUIDE

Use this guide with my original North Stars pattern to make a quilt with the fabrics used in my Second Edition sample quilt.

The way each fabric is described in the Second Edition (e.g. which is Fabric 1, Fabric 2, etc.) is different than in the original version. For that reason, this guide should not be used with the Second Edition pattern, which includes its own detailed explanation of where to use each fabric.

Using this guide with the original pattern will make a quilt that looks almost identical to the one shown on this page. The placement of a few of the fabrics will be slightly different, but the quilt will include all of the same fabrics.

All fabrics are from Robert Kaufman Fabrics.

### COLORFUL FABRICS

The colorful fabrics in my new quilt sample include Kona Solids, Essex Linen Blends, prints from my Paintbox collection, and my Kitchen Window Wovens gingham.

Use the chart on the next page in place of the one in your pattern.

### BACKGROUND FABRIC

My Block Background Fabric is Kona Metal. My Sashing and Borders Fabric is Essex Speckle in Dolphin.

### LIGHT AND DARK SOLID DETAIL FABRICS

I used Kona Snow and Kona Pepper
