

KONA SOLIDS PALETTE FOR LARGE PRETTY BIRDS QUILT

If you want to make the quilt shown on the cover of the newer pattern using an older pattern, simply use this guide with 40 Robert Kaufman Kona Solids instead of the guide in your pattern. You don't need to make any other changes!

OTHER FABRICS

My sample quilt was made with Robert Kaufman fabrics.

The background fabric is Essex Yarn-Dyed Army. The Perch Fabric is Essex Army. (Essex Army is a little darker and a different texture than Essex Yarn-Dyed Army.)

The Light and Dark Detail Fabrics are Kona Snow and Charcoal.

Refer to your pattern back for yardage information.
