PINEAPPLE FARM LAP QUILT FABRIC GUIDE

Use this guide to duplicate the fabric placement in my sample quilt.

The Pineapple and Leaf fat quarters I used are Robert Kaufman fabrics including Essex Yarn-Dyed (YD) linen blend, Kona Solids, and my Kitchen Window Wovens.

My background fabric is Essex Yarn-Dyed Speckle in Flax.

The pattern describes sorting the fat quarters into 7 sets, each including 3 fat quarters for the pineapples and 1 fat quarter for the leaves. The swatches on this page shown my sets, which I've labeled A - G.

Follow the pattern directions to make 6 blocks each from sets A, B, D, E, and F and 5 blocks each from sets C and G.

If you'd like to duplicate my block placement, refer to the lists below to arrange the blocks in each column.

Column 1: B, A, G, and D

Column 2: A, F, D, B, and E

Column 3: D, E, C, and F

Column 4: C, B, A, E, and G

Column 5: G, D, F, and A
